Not for sale in stores
To the teacher or parents:

This book will lead your student through short vowels a, e, i, o and u. This book is designed to instill confidence in reading and solidify phonics rules for ESL/EFL students. The words and pictures were designed for children and to reflect vocabulary students should have already encountered.

- At the top of each section there are instructions for the student to be read out by the teacher.
- There are examples to guide them in the beginning.
- This book is most beneficial if the vocabulary is not new to the student.

Illustrations by Mark Cox
O the pictures that begin with A. X the rest.
Say it. Trace and write in the a. Read it.
Trace it. Read it. Write it. Find it.

- hat
