

OVER IN THE CITY

STEPHEN WOULD'S

over in the city
in the streets in the bins

lived an old troubled woman
and so many of her friends

"beg," said the woman

"we beg," said her friends

so they begged
night and day

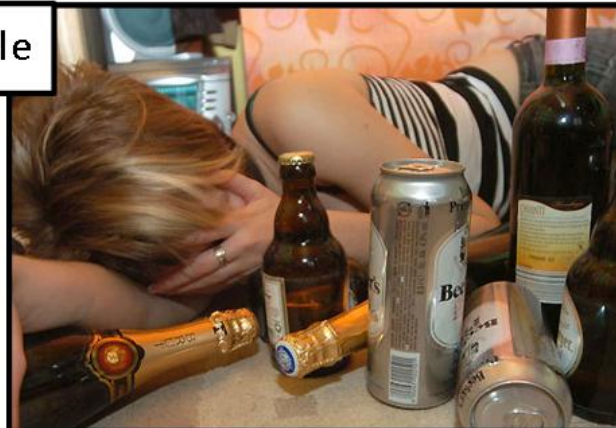

in the streets in the bins

over in the city
in the streets and till late

lived a very drunk couple
and their very drunk mates

“drink,” said the couple

“we drink,” said their mates

so they drank
all day

in the sun and till late

over in the city
in the streets in the clubs

lived men who love to hate
and their mates in the pubs

“fight,” said the men

“we fight,” said their mates

so they fought
night and day

in the pubs in the clubs

over in the city
in the streets in the shops

lived many thieves and robbers
who would never ever stop

“steal,” said the thieves

“we steal,” said the robbers

so they stole night and day

in the streets from the shops

over in the city, in the streets in the bins

live many volunteers and many of their friends

“help,” said the volunteers

“we help,” said their friends

so they help day and night

in the streets in the bins
